

## TUMBLE DRYERS

### DOUBLE DRUM

#### Features

### DSD-11-17

- Construction in grey skinplate, stainless steel look.
- Big loading door (opening of 180°).
- Direct drive through a gearbox, no pulley.
- **PM Electronic Control:** Easy and intuitive to use, the electronic control offers a complete control of the process.
- Inverter: All models offer the reverse turning of the drum.
- Stainless Steel standard.
- Mixed axial-radial airflow to optimise and maximise the airflow circuit in the drum.
- Efficient Drum: The new drum with stamped holes makes sure the linen is gently handled.
- New filter drawer with wide surface and improved airflow.
- Cool Down: Anti-wrinkle at the end of cycle.
- Models available in electric or gas.
- **Self-Service:** there are three self-service versions: to connect to a central pay, with a coin kit to work with coins/tokens, and with two coin kits (one for each microprocessor/drum).
